Caravans passing through Kansas? We have 2 Patriots who are vets with gas money with a broken down engine in Kansas. Anyone willing to scoop these Patriots? Vehicle repairs won't be done til after the DC rally. Trying to get our boys here with us to provide security for people. Will escort to safety (media.patriots.win)

1 What's funny is despite all the caravan talk here, 99% of the image and video threads posted here since this weekend have been 2-3 month old images from MN, NY, and CA. The only legitimate new photos was a couple photos of a single person's car, or two earlier today showing empty highways. LOL.

0 Not dumb enough to post a three month old photo from New York and claim it's Kansas in January.
